SUBJ: D1 Proposed Plan for
 CERCLA Program Waste Disposal
 (DOE/OR/01-2695&D1; June 2016)
 DOE Oak Ridge Reservation, Oak Ridge, Tennessee

Dear Mr. Japp:

The U.S. Environmental Protection Agency received the subject document July 7, 2016. As you know, the Federal Facility Agreement Parties are in informal dispute over the preceding Primary Documents (i.e., Waste Disposal Remedial Investigation/Feasibility Study and Wastewater Management Focused Feasibility Study). Therefore, EPA cannot provide comments on the subject document at this time. The outcome of dispute resolution will establish the review schedule on this document or a revised D1 Proposed Plan subsequent to completion of dispute resolution on both documents.

If you have any questions regarding this matter, please call me at (404) 562-8546.

Sincerely,

A handwritten signature in black ink, appearing to read "J. Crane", with a long horizontal line extending to the right.
