Dear Mr. Japp

TDEC Approval Letter
Completion Report for Building K-25 at the East Tennessee Technology Park, Oak Ridge, Tennessee (DOE/OR/01-2651&D3)

The Tennessee Department of Environment and Conservation, Division of Remediation-Oak Ridge Office (DoR-OR), has reviewed the above referenced document pursuant to the Federal Facility Agreement for the Oak Ridge Reservation. The State is satisfied that DOE has made every attempt to reconcile waste volumes contained in this document to waste volumes previously reported for the project. As a result, the DoR-OR approves this document. Approval resolves the informal dispute associated with the document.

Questions or comments concerning the contents of this letter should be directed to Angel Perkey at the above address or by phone at (865) 220-6559.

Sincerely

Randy C. Young
FFA Project Manager
