**Waste Handling Plan for the Demolition of Biology Complex at Y-12, Oak Ridge, TN
[DOE/OR/01-2720&D1], July, 2016.**

Dear Mr. Japp:

The Environmental Protection Agency (EPA) has reviewed this WHP D1 for the Demolition of the Biology Complex. EPA has only the following comment for this WHP: we agree with TDEC that once characterization has been completed, the DQOs should be documented in a revised WHP.

If you have any questions regarding this matter, please call me at (404) 562-8648.

Sincerely,
